siderable light upon the system adopted by the new regime. The geographical position of Mexico unrivalled, and its mineral wealth unequalled. Its resuscitation under any form of governal ment must prove a boon to the civilized world, -Ed. D. P.

In Imperially! View of the Benefits of Muximilitua's Government to the Mexicons. City or Mexico, June 6; 1865.

DEAR SIR -Simo years ago I had the pleasore of giving vouls short synopsis of Mexican "Turn. Since then I have become more intimateby acquainted with this country which I have made my second home. My reason for writing you again, is the desire of acquainting my friends is San Prancisco of the actual condition of this in the nanets which come to hand,

The E operar has hadis prudent conduct cinquerred all the opposing elements, at least in these ourts. His great aim is to become popular, and for this ourpose he has even thrown overhoard the Clerical party, which first belief to clerate centre of the United States, where they can invest him. His advisers belong to the Liberal side, against whom he is still fighting. He mixes freeiv in society. He is now hound on second voyage through the interior to be able to see the condition of affairs with his own ages. He does not duzzle the multitude by estentation and displaying a luxuer which the treasure could ill afford: les has laid down in his new Constitution certain principles, which must endear him so much the. more to the Mexicana, as they never knew how to distinguish between true liberty and the high-* somming giveranters of their former leader.

to show it merits. The Imperial Government guarantees to each inhabitant equality before the law; personal security; protection to property; the free exercise of religion, and the liberty of publishing private opinions. Nabody can be arrested without warrant, except when taken flagrants delicter and within three days his case must be tried. The other points of this Constitution refer to the administration and some minor down as bound to maintain the integrity of the these into eight military districts. The depart-Emperor, and these have to name the sub-prethe incinbers of the municipality. Centralization is the chief object, the quarterly returns have to be made from every township and village to the prefects, and from them to the Secretary of State. on everything touching the judiciary and admin-

istrative department. the following are the most important: General accused for offences against the printing laws: commutation of 37 condemnations of a political obsender, and changing the verdict against the producing them employment and mending their morals. To further education, from schools will bound to sid in the construction of new roads, otherwise other results might have followed. The telegraph lines, etc. One point only appears ridiculous to an American, and that is, the establish official examination takes place."-Haraid. ment of three orders, to wit; that of Guadalupe that of the Mexican Eagle, and a new one extend-

Per J. H. Boskelmann from Amoy.

Capt. Meinke, Mr. Bush and 2 Chinese.

The Hamburg brig J. H. Bochilmann repol that at Midnight on Smider the 2th about 20 miles. E. of Capac Point, she was boaded by a land pirate lorcha, carrying upward of 100 men a armed with 14 large gues and a large stock emailer ammunition. This loreha we understo was on the look out for abrig outward bound fre Hongkong with money on buard. Having disc yered their mistake, they immediatly proceed to rid the ship of everything, portable in first place 'clearing the dicks, cabin, &c., w stinkpots. They ordered all hands forward b sides the Captain, mates, and crew, their were passengers, who were also sent forward-res tance was useless as the commander to all appea ance, European, threatened to murder all har should the slightest show of resistance, he offer After remaining 21 hours abound, and utter taking all ships property &c., they left and steed od an Easterly Coast. The Captain and second mate, were compelled to show where every va-

able wangtowed and threatened with immedi death if they did not comply. The British steamer Mden reports that steamer Suwonoda arrived at Shanghai on the Outuber. Passed French Mail near light S at 6 or Da.M. Passed Steamer Dumbarton Breaker Point on the 1th at 3 F.M. Pas
